"DP&L" AND "Broadway dump"

Comment [A1]: Recommend to have one search term for South Dayton Dump, which makes all other compound search strings containing that phrase obsolete. Same with Grillot.

Comment [A2]: Strings with search term "Springboro" may turn up emails unrelated to SDDL and are very unlikely to catch any emails not discovered by using "South Dayton Dump" or "SDDL".

Comment [A3]: Strings with search term "1975 Dryden" are very unlikely to catch any emails not discovered by using "South Dayton Dump" or "SDDL".

Comment [A4]: Strings with search term "Broadway dump" may turn up emails unrelated to SDDL and are very unlikely to catch any emails not discovered by using "South Dayton Dump" or "SDDL".
